

Massage Therapy Program

Admissions Checklist

Swedish Institute requires that student files must contain all of the required materials in order for a student to begin classes. The following is a guide for the documents you need to provide for the application process and prior to registration. Additional requirements will apply for transfer students and international students. Our Admissions Advisors are here to help you every step of the way. If you need assistance please or have questions call our Admissions Department at 212.924.5900, ext. 199.

- Completed Application for Admissions – Part I
- Completed Application for Admissions – Part II (includes Personal Statement and Additional Questions)
